PUBLISHING

Content Editing

This is the first step in publishing a book, also known as developmental editing. I will check your manuscript for consistency, comprehension, and contradictions. Grammar + spellcheck is included, but rewrites are not. You will only be provided suggestions via extensive notes on your manuscript. **Contact for rates.**

Ghostwriting

If you have an outline or a partially completed manuscript, we can work together to generate expansive concepts that will take your creative ideas to the next level. This applies to memoirs, novels, and speeches. Rates vary upon project length and deadline. **Contact for rates.**
